

Dear MHS Parents,

There are a number of volunteer needs that your student's high school currently has! Your presence and contribution to the school is greatly needed and appreciated. Please look over the attached list of volunteer opportunities and contact the appropriate person about the opportunities you are interested in.

Thanks so much!

## **MHS Parent Volunteer Opportunities**

### **Computer Lab Monitor**

No computer or technology knowledge required!

**When?** During PLC time on B days (8:00-9:25am)

The students would be very self-sufficient and are coming to the lab to work on specific projects. Your job is to make sure everyone is safe and to issue passes as needed.

One person could monitor multiple labs.

We are looking for one person to commit to most B days and another one or two people to act as a back up if needed.

### **Schools of Hope Tutor**

In the first two months of this school year, Schools of Hope (SoH) has drawn the interest of over 100 students, many of whom have yet to be helped due to our lack of volunteers. SoH is also hoping to help start an MHS Homework Club in the evening. **We are more in need of your help than ever before!** The Schools of Hope Tutoring Program is the perfect opportunity to make an impact on high school-aged youth. Our program also allows you to develop a mentor/mentee relationship that all adolescents and teenagers can benefit from.

**When?** We appreciate even 1 to 2 hours per week of your time.

### **Library Help**

Sign up for 1-2 hours per week at a set time and day throughout the school year.

Duties include: shelving, displays, filing, and special projects

**Contact:** Ellen Baum, Library Media Specialist

### **Supervise Students**

**When?** On B and D days from 8:00-9:35am. Any amount of commitment would be appreciated.

If transportation is an issue for you, assistance can be arranged.

**Contact:** Claudia Gates, Dean's Assistant (608) 829-9851 [CGates@mcpasd.k12.wi.us](mailto:CGates@mcpasd.k12.wi.us)

### **Service Learning Project Monitor/Reviewer**

Pre-approve individual projects and read reflections from student projects.

We are working toward getting specifics for this role. (This will be needed in the future)
