

Sunset Ridge Elementary School
Field Trip - Student Release/Sign Out Form

Sunset Ridge Guidelines:

- Similar to athletic events, parents can sign a release accepting responsibility and liability for their child only at the end of a field trip from the point that a District supervisor is no longer present.
- Students will be released only to their parents. A note or signed letter from a parent giving permission for their child to be released to another adult will not be considered or accepted.

Parent Release:

Student: _____

Parent Signature: _____

Date: _____

Teacher Signature: _____

My signature indicates that I am signing my child out from the remainder of the school/class field trip. I accept full responsibility and liability for my child from the time that a District supervisor has left the area.
