

# SUNSET RIDGE PARKING LOT SAFETY

**WE NEED YOUR HELP!** We continue to have serious safety concerns during student drop off in the mornings and student pick up after school. Please follow the procedures below and, most importantly, be patient and drive slowly through the Sunset Ridge parking lot at all times.

## Student Drop Off and Pick Up Procedures:

Stay to the right and drive around the parking lot in order that you are able to drop off or pick up your child at the curb in front of the school. Do not take an immediate left and drive into the flow of traffic.

Please wait until a space by the curb is available and then drop off/pick up your child. Drive forward as far as you can. **DO NOT STOP IN THE MIDDLE OF THE DRIVE AND HAVE YOUR CHILD WALK BETWEEN VEHICLES.** By doing so, your child may walk in front of a vehicle that is driving out. This also causes more traffic congestion and delay for all.

Park in a designated parking space if you are leaving your vehicle for any reason. Please do not park and leave your vehicle unattended by the curb in front of the school or by the curbs at the end of the parking rows in areas not designated for parking.

When dropping off or picking up your child, please don't park or stop in the designated parking areas or middle drive of the parking lot and have your child walk unattended through vehicles and traffic.

Thank you for your help and assistance in this matter. As you are aware, failing to follow safe parking lot procedures can easily result in injury or worse. Student safety is always our primary concern and your help this matter is greatly appreciated.
